Chichester Cathedral Friends, Charity Number: 1158498

The Cathedral has been at the centre of worship and life in Chichester for over nine centuries.

Chichester Cathedral Friends support the mission of this special place.

Through grants and organising events, the Friends help fund an exciting array of projects. By joining, you will be helping to preserve the Cathedral’s cultural and artistic heritage, support community and educational programmes while being part of a living history and making new friends and connections.

**MUSIC**  
The Friends are proud to support musical projects, from the funding of a chorister to choir’s cassocks. Other grants funded a camera system for the organ loft and a recording to mark the 400th anniversary of the Cathedral’s former Organist composer Thomas Weelkes.

**ART & CONSERVATION**  
The Friends are pleased to support the conservation of art and treasures, most recently the cleaning and conservation of the Benker-Schirmer tapestry (see front cover) and a project to improve access around the Baptism Font designed by Sculptor John Skelton.

**MISSION**  
In support of the Cathedral’s mission as a spiritual and educational hub, the Friends help fund, organise or lend support to a variety of events and outreach projects, while organising its own programme of social activities. Connect with new friends at our coffee mornings, talks, lunches and more!
